Welcome

MPHS PTSA extends an invitation to everyone in the Morgan Park High School Family to become a member of our organization.

Our goals are simple we want to strengthen the relationships between Parents, Teachers & Students in a way that is inclusive of all and provides a forum to share information.

This is what **PTSA** means to us:

Parents, ideas and concern will be shared with school administrators in a way that is supportive and constructive; parents will receive any information available to assist with the development of your student.

Teachers will gain the support of the PTSA Parents and Students and have an opportunity to develop a foundation of support.

Students will have the opportunity to gain Service Learning Hours by planning and assisting with fundraising activities and or being an active member of the PTSA and involved with the development of relationships between Parents, Teachers and Students.

Association, your membership in the MPHS-PTSA association will provide access to the resources under the umbrella of the Illinois PTA and National PTA Association.

We Need Your Help!

Your membership, donations or assistance, support, service and ideas are the ways we can develop programs and events for the MPHS Family.

In Solidarity,

Rochelle Sims
